

REMARKS

In the Office Action of March 26, 2003, the Examiner rejected claim 11 for having sufficient antecedent basis for the term "said ceiling mounted." This term should have been "ceiling mounted fixture." The Examiner indicated that claim 11 would be allowable if this error were overcome and claims 5, 7 and 9 were likewise allowable. By this Amendment, original claims 1-11 have been canceled. Claim 12, corresponding to claim 11, has been inserted and claims 13-15, corresponding to claims 5, 7 and 9, have been added. These claims being identical to those claims indicated as being allowable, the application is now in condition for allowance.

No fees are believed due and owing, but the Commissioner is authorized to charge Deposit Account 08-2455.

If any issues remain, please contact the undersigned attorney.

Respectfully submitted,
